

Bloom High School After School Tutoring 22-23

Objective: To provide assistance to students with their homework.

Time Frame: Monday-Thursday from 2:55- 4:45pm

Location: Library and 2nd floor Social Studies Classrooms

Students will arrive to tutoring by 2:55 each day. As they arrive, students will sign-in on a google form. Tutors will welcome students at each location and signs will be posted for students to direct them to the correct places. Specific core academic support will be provided in classrooms.

Students who need computers or just a quiet place to study can work in the library. Academic support will run for the first hour and students who stay for the second hour will work in the library. The tutors from the academic portion will release to the library those students who will stay the additional hour and then walk the students out to the buses who are not staying. The tutors who stay for the second half will walk the remaining students to the buses at 4:45pm.
