

Message from the Principal....

Dear Bloom High School Students and Parents/Guardians,

Welcome to the 2022-2023 school year! We plan to make it a great one. My hope is that every student will take advantage of the opportunity to “Re-engage, Reconnect, and Renew. We want students to 1) Re-engage in learning; 2) Reconnect to each other through clubs, sports, and activities; and 3) Renew their commitment to being and doing their best. Our faculty and staff are here to support your success and ensure our students reach their full potential.

Please take the time to review the Bloom High Student Handbook found on the school website. Use it as a resource throughout the year. In the handbook, there is information about academic guidelines, behavior expectations, important dates, as well as information about getting involved in school sports and activities. Being informed is one of the first steps of success.

Students, success doesn't happen to you, it happens because of you. Be Responsible, Be Respectful, and Be Engaged during the 2022-2023 school year. Let's make it a great year!

Respectfully,

Dr. Jerry Lee Anderson
Principal
Bloom High School

E-Learning Days and Remote Learning Days

E-Learning days provide a platform for continued learning in case of emergency school closure, such as a snow day. E-Learning days would be determined on an as needed basis. They would be announced the same way we would announce a snow day, using our robocall system, website, etc.

E-Learning Student Schedule

8:10 am - 1:05 pm is the time for students to interface with staff via virtual office hours. Assignments will be given to students asynchronously. Students must complete the self-certification form or log in via a Google Form at such time the self-certification form is no longer required for attendance purposes. This must be done by 1:00 pm each day.

Remote Learning Student Schedule

Remote learning is learning that happens outside of the traditional classroom due to the student and teacher being separated by distance and/or time. Remote learning can be done in real-time, or at flexible times. Remote learning extends over a period of time. The schedule below is in the event that the entire school is operating on a remote learning schedule.

The targeted re-engagement sessions are designed for the in-depth addressing of academic deficits in addition to the differentiation that is taking place in the classroom. Teachers will notify the students who have been identified to participate in the session. PLC's will work together to differentiate groups based on data and the utilization of prerequisite skills. Students will engage in targeted instruction sessions virtually.

EMERGENCY SCHOOL CLOSING

1. In-School – If an emergency arises which forces the closing of school while it is in operation, information concerning dismissal and boarding of buses will be given by PA announcement or by courier. Emergency dismissal will be reported on WCGO (Call #AM1600), WGN, and WBBM.
2. Out-of-School – If weather or emergency conditions require that the school not open for the day, information will be given by local radio station WCGO (AM 1600) and by the Chicago radio stations WGN (AM 720) and WBBM (AM 780); and television stations CBS (2), WGN (9), FOX (32), and CLTV (Cable) News.
3. The school will make every effort to make an “All Call” notification. You may also inquire about your specific school closing by logging onto the following website:
<http://www.emergencyclosingcenter.com>

Everyone Should Monitor Your Health Daily

- Be alert for symptoms. Watch for fever, cough, shortness of breath, or other symptoms of COVID-19.
- Especially important if you are running essential errands, going into the office or workplace, and in settings where it may be difficult to keep a physical distance of 6 feet.
- Take your temperature if symptoms develop.
- Don't take your temperature within 30 minutes of exercising or after taking medications that could lower your temperature, like
 - acetaminophen.
 - Follow CDC guidance if symptoms develop.
 - Cover your mouth and nose with a cloth face cover when around others
 - You could spread COVID-19 to others even if you do not feel sick.
 - The cloth face cover is meant to protect other people in case you are infected.
 - Everyone should wear a cloth face cover in public settings and when around

- people who don't live in your household, especially when other social distancing measures are difficult to maintain.
- Cloth face coverings should not be placed on young children under age 2, anyone who has trouble breathing, or is unconscious, incapacitated or otherwise unable to remove the mask without assistance.
- Do NOT use a facemask meant for a healthcare worker. Currently, surgical masks and N95 respirators are critical supplies that should be reserved for healthcare workers and other first responders.
- Continue to keep about 6 feet between yourself and others. The cloth face cover is not a substitute for social distancing.
- Cover coughs and sneezes
- Always cover your mouth and nose with a tissue when you cough or sneeze or use the inside of your elbow and do not spit.
- Throw used tissues in the trash.
- Immediately wash your hands with soap and water for at least 20 seconds. If soap and water are not readily available, clean your hands with a hand sanitizer.
- Wash your hands often
- Wash your hands often with soap and water for at least 20 seconds especially after you have been in a public place, or after blowing your nose, coughing, or sneezing.
- It's especially important to wash:
- Before eating or preparing food
- Before touching your face
- After using the restroom
- After leaving a public place
- After blowing your nose, coughing, or sneezing
- After handling your cloth face covering
- After changing a diaper
- After caring for someone sick
- After touching animals or pets
- If soap and water are not readily available, use a hand sanitizer. Cover all surfaces of your hands and rub them together until they feel dry.
- Avoid touching your eyes, nose, and mouth with unwashed hands.
- Avoid close contact
- Inside your home: Avoid close contact with people who are sick.
- If possible, maintain 6 feet between the person who is sick and other household members.
- Outside your home: Put 6 feet of distance between yourself and people who don't live in your household.
- Remember that some people without symptoms may be able to spread a virus.
- Stay at least 6 feet (about 2 arms' length) from other people.
- Keeping distance from others is especially important for people who are at higher risk of getting very sick.
- Clean and disinfect
- Clean AND disinfect frequently touched surfaces daily. This includes tables, doorknobs, light switches, countertops, handles, desks, phones, keyboards, toilets, faucets, and sinks.
- If surfaces are dirty, clean them. Use detergent or soap and water prior to disinfection.
- Then, use a household disinfectant. Most common EPA-registered household disinfectants will work

Positive Behavioral Interventions and Supports (PBIS)

As we transition back to in-person learning for all students, the schools in District 206 are adopting the Positive Behavioral Interventions & Supports (PBIS) framework as part of our Multi-Tiered Systems of Support to create a climate and culture conducive to learning and safety. As a district, we are embracing a more restorative and culturally responsive approach to misbehavior through PBIS. Our goal is to support each student in learning socially responsible behavior in order to become productive and contributing members of our community. As we transition to this new framework, there will be a shift in language and practice. The focus of PBIS is to teach students what the expectations are and affirm students for meeting those expectations.

The support of parents/guardians is critical in teaching students to make socially responsible choices and understanding the consequences of their actions. As we transition to PBIS, more detailed information will be shared with you. You will hear about acknowledgements and rewards. You may receive correspondence highlighting various topics such as bullying, anger management, etc. We ask that you talk with your student or students about these topics, encourage them to make socially responsible choices, and celebrate their successes. There is a great deal of excitement around our new approach to teaching behavior and we hope that students will feel encouraged to make good choices in school that will transfer into adulthood.

ACADEMIC PROCEDURE

1. Grading – Grades of A, B, C, D, or F are issued by teachers to indicate student achievement and progress. The following statements describe each grade briefly:

a. A Student who earns an A grade is one who in most instances:

- Demonstrates outstanding scholarship and grasp of the designated subject area.
- Demonstrates achievement of specific knowledge and skills.
- Goes beyond the goals established for the class in achievement and contribution, independently applies knowledge and skills to new situations, and does assignments thoroughly and accurately.

b. A student who earns a B grade is one who in most instances:

- Demonstrates above average scholarship and achievement in the designated subject area and is above average in mastery of specific knowledge and skills.
- Does assignments less thoroughly than the "A" student but with above average quality, occasionally contributes creatively, usually applies knowledge and skills independently

c. A student who has earned a C grade is one who in most instances:

- Demonstrates average scholarship and achievement in the designated subject areas (in comparison to the total school population). With help, apply knowledge and skills to new situations.
- Frequently requires individual direction and supervision in order to complete the work.

d. A student who earns a D grade is one who in most instances:

- Is below average in mastery of knowledge and skills established by the course of study.
- Seldom completes an assignment without teacher direction or encouragement and generally fails to make up work missed when absent.

e. A student who earns an F grade is one who, in most instances:

- Does not fulfill the course requirements as established by the course of study. Infrequently completes assignments and generally fails to make up work missed when absent. Often rejects teacher assistance.

2. In order to maintain classification in their class, students must accumulate the necessary amount of credits toward graduation.

3. Honor Roll – Students, through high academic accomplishment, earn honors each grading period.

a. High Honors - students earning an average of 3.6 grade points or above after all grades are averaged.

b. Honors – students earning an average of 3.0 grade points or above after all grades are averaged.

4. Grade Points – Grade points are used in computing averages for all courses except Honors and Advanced Placement.

Following are the grade point equivalents:

A = 4 B = 3 C = 2 D = 1 F = 0

5. Grade Points for Honors and Advanced Placement: The following criteria are recommended for calculating grade point average for Advanced Placement and Honors classes and for determining certain graduation requirements:

a. Advanced Placement (AP) courses will receive the equivalent of

two extra grade points for grades A, B, C, and D (A = 6 points, B = 5 points, C = 4 points, D = 3 points).

AP courses will also be calculated with the honors weighted factor for grades of A, B, and C.

b. Honors courses will receive the equivalent of one extra grade point for grades A, B, C, and D (A = 5 points, B = 4 points, C = 3 points, D = 2 points).

c. Weighted grades for honors courses will be awarded at the semester.

d. The maximum number of honors courses that can receive weighted credit will be 18.

e. Unless in an approved District 206 Program, only one credit may be counted toward G.P.A. and graduation from Prairie State College; however, students may take more courses if they so desire.

f. Seniors must have 20 credits in order to participate in the commencement ceremony for the Class of 2023, please see asterisk (*) on page 10 for students in their 5th or more school year.

II. ATTENDANCE INFORMATION

Board policy 7:30, 7:50, 7:60 and 7:90

RESIDENCY

1. Residency The boundaries of the attendance areas of District 206 are defined by the Board of Education.

The Bloom High School attendance area includes all of the area in elementary districts: #170 (Chicago Heights), #167 (Glenwood School and east of Glenwood-Chicago Heights Road), #161 (with Chicago Heights addresses) and #172 (Lynwood west of Torrance and north of Old Joe Orr Road) A student who lives with one or both parents, or with a legal guardian, at an address within that attendance area must attend Bloom if attendance is to be at a public high school.

STUDENT ATTENDANCE

Board policy 7:70

1. In accordance with Illinois School Code, and the District 206 Board of Education policy, parents/guardians of students residing in this district must cause the child to attend the assigned district. Additionally, they must authorize all absences from school and notify the school in advance or at the time of the student's absence. Valid causes for absences include: illness, observance of a religious holiday, death in the immediate family, family emergency, other situations beyond the control of the student, other circumstances that cause reasonable concern to the parent/guardian for the student's safety or health; or other reasons as approved by the Superintendent or designee.

2. In order for **an absence to be excused**, parents/guardians are expected to call the Attendance Office at (708)755-1122 ext. 2130 or ext. 2129, on the day of the absence to report their child's absence unless the absence is "pre-arranged." Impersonating a parent/guardian for the purposes of attendance may bear disciplinary consequences. If the school has not been notified, an absence call will automatically be generated to go out at the end of the day. As stated in Board Policy 7:90 (7:80 may be applicable), the following absences will be EXCUSED:

a. **Absence due to medical reasons (including illness)** that are reported by the parent/guardian.

b. **Absence due to funeral attendance**—Absence because of a funeral for an immediate family member will be excused if the student brings verification from the funeral director upon return to school. Funeral programs and obituary notices do not verify funeral attendance and are not acceptable.

c. **Absence due to student's court appearance**—A student's court appearance will be excused if the student presents **verification** upon return to school that he/she was in court on the day of the absence. Citations or tickets are not acceptable.

d. **Pre-Arranged absences**—Pre-arrangement for expected absences may be excused providing the following criteria are met: A personal appearance by the parent will be required at least two (2) days before the intended absence from school. A pre-arranged excused absence can be scheduled for a college visit, a job interview, or military testing. A pre-arranged absence

form may be obtained and must be submitted to the attendance office before the date of absence. Pre-arranged absence may not be necessary if verifiable notes can be obtained and presented by the student upon his/her return to school. Acceptable notes should be on letterhead stationery and may be from college admissions officers, interviewing companies, or military recruiting officers.

e. **Senior College visits**—Seniors are allowed two excused college visits during their senior year. The absence will be excused when the proper documentation is provided. Arrangements will be made through the Guidance Department for District 206 students to visit the local colleges during this time. Visits to other colleges or universities must be individually arranged and will require the same documentation as all pre-arranged absences.

f. **Absence due to emergency/early dismissal** - If a student must return home or leave school early for any reason, the Attendance Office must be able to verify that the absence is with the permission of the custodial parent; it is the custodial parent (or emergency contact in our system) who will come into the building to sign for the student's release. This policy is for the safety and welfare of the student. Time missed in this category will be unexcused (unless the absence fits into one of the above categories).

g. **Absence due to school-related activities**—Absences for school related activities will be excused.

3. **Re-admit Procedure**—When returning from an out of school suspension, students must obtain a re-admit from the suspending dean and present to each teacher.

4. **Consequences of Poor Attendance:**

a. Students should be aware that 6 or more absences, excused or unexcused, can affect a student's grade and may result in loss of privileges.

b. The responsibility for requesting, securing and completing makeup work after an absence rests solely with the student.

c. ANY absence beyond 9 for the school year may require proper documentation for excusal.

TARDIES

Definition of late to school:

Arriving at school after the 8:10 am bell to your first period of the day has sounded.

Late to school policy:

- Students arriving late to school should report immediately to the Attendance Office 229.
- Students have 5 minutes from stamped time to go to locker/restroom and report to class. If the pass is not validated/stamped by the Attendance Office, it is not valid.
- The third late to school unexcused may result in a consequence.
- Once 9 late to schools have accumulated (excused or unexcused) for the school year, appropriate documentation (refer to section 2) may be required.

Definition of tardy to class:

Tardiness is defined as the appearance of a student after the scheduled time that a class begins without a pass.

- Tardies are tracked cumulatively per quarter, not per class.
- Once students accumulate six total tardies, they will be referred to their Dean.
- Every sixth tardy thereafter may result in consequences.

Positive Hall Sweep

The positive hallway sweep is in place to remind and encourage punctual and prepared school behaviors. Tardiness to class disrupts the learning environment.

TRUANCY

Board policy 7:70

Arriving 10 or more minutes late to class, lunch or any assigned area without authorization. According to the State of Illinois, a chronic truant is to miss more than 5% of the entire school year. This equates to 9 or more days of absenteeism without a valid cause. Any student, who is truant from a teacher's class, should be referred by the teacher to the Dean. Consequences may or may not include one or more of the following:

- Parent Notification
- Detention
- Positive Support Center (PSC)
- Referral to Truant Officer
- Referral to Regional Office of Education
- Truancy Hearing
- Truancy Court proceedings

Under the Illinois General Assembly, 105 ILCS 5/School Code Section 26-2a:

A "Truant" is defined as a child who is subject to compulsory school attendance and who is absent without valid cause, as defined under this section, from such attendance for more than 1% but less than 5% of the past 180 school days.

"Chronic or habitual Truant" shall be defined as a child who is subject to compulsory school attendance and who is absent without valid cause from such attendance for 5% (changed from 10% in July 2011) or more of the previous 180 regular attendance days.

CHRONIC ABSENTEEISM: As defined in Section 26-2a of the School Code "Chronic absence" means absences that total 10% or 18 days of the most recent academic school year including absences with and without valid cause; examples of this are: suspensions, unexcused absences and excused absences.

PROBATIONARY ATTENDANCE AGREEMENT: The Probationary Attendance Agreement is for students eighteen years of age or older who have a history of chronic truancy, tardiness, and

academic failure. The purpose of the agreement is to help the student, along with the parent, focus on areas of his/her behavior that are contributing to school failure and the steps that will be taken to alleviate the problem. Any violation of this agreement may lead to the student being withdrawn from school.

V. Student Code of Conduct

Board Policies 7:190, 7:200, 7:210, 7:220, 7:230 and 7:240

The Board of Education of District 206 believes all students are entitled to a fair and appropriate education without disruption or threat by any other student or any staff member. In accordance with Public Act 99-456 (commonly known as Senate Bill 100), District 206 has met with a Parent-Teacher Advisory Committee to review the content and implementation of discipline policies, including student searches. The committee also reviewed procedures to ensure the safety of all students and staff, both during the school day, and while traveling to and from school. Students who cause a threat or disruption to another student, their right to an education, the safety of anyone else in the school, or the operation of school will be issued consequences on a case-by-case basis.

When students make poor choices that are severe in nature, there will be consequences. Some examples of a major infraction might include: fighting, truancy, overt defiance, gross insubordination, graffiti, gang activity, etc. These types of infractions will result in an automatic

referral resulting in some type of consequence that may include suspension and possible arrest. Extended days of Out of School suspension will be reserved for the extreme cases of major behavior (i.e. mob action, weapons, etc.).

Less severe, or minor infractions, will be addressed within class as much as possible on the teacher's level. If a teacher has used the interventions provided to them with no success, then it will be necessary to write a referral for continued minor behavior. One of the interventions that will be used by both the teachers and deans will be parent contact. Parents who are contacted by their student's teacher are asked to follow-up with the student to ensure that the message is consistent - the misbehavior will not be tolerated.

As students work their way through the PBIS model, interventions will be implemented. These may include but are not limited to: referral to the Behavior Specialist, referral to the Student Assistant Coordinator, Check-in, check-out. Referral for support from the truancy officer. Recommendation to participate in the Male Mentoring (MMG) or Ladies Mentoring Group (LMG).

The District's process for handling student behavioral problems is a progressive discipline policy (based on the PBIS framework) that will be consistently and fairly applied. The basis for such a process is a clear set of expectations that students are asked to follow. **This process is designed to provide restorative interventions to students involved in repeated offenses.** It is the hope of the school administration and staff that students involved in our schools will develop skills to self-manage their behavior effectively as a result of interventions designed and implemented by the PPS (Pupil Personnel Services) staff.

Students who repeatedly violate the school's discipline policy will be referred to the MTSS Team where their current interventions will be reviewed and future needs/goals for the student will be determined. For the good of the vast majority of the student body, individual students who consistently violate the rights of others, who exhibit little or no interest in the basic purpose of school, may be excluded from school in a manner and period of time consistent with District 206 Board of Education Policy, and State Law.

The following terms and behaviors, as well as possible consequences, are intended to expand and clarify the above policy:
